In the general terms and conditions, which apply to *your insurance*, you will find a description of the terms stated in various conditions. These definitions apply to the general conditions, the special conditions, the clauses and the provisions of the *policy*.

Article 1 Coverage of colic surgery costs.

The costs of colic surgery, including any associated hospitalisation, are covered up to a maximum of €2,500 per *insurance year*.

It is also important to note that in the year in which *your horse* reaches the age of 20, the right to reimbursement of the medical expenses as described in Article 3 lapses. In that case, the coverage as described in articles 1 and 2 shall also be amended. You will be informed of this in writing.
